

From the Editor's Desk

Dear Colleagues,

On behalf of the Editorial board of Journal of Advanced Health Sciences and Research (JAHSR), I would like to extend my sincere gratitude and warmest wishes to all authors and reviewers for their support and co-operation for bringing out the first issue of the Journal.

This journal (JAHSR) is the official publication of College of Dental Science and Hospital, Amargadh, Gujarat, India. It is an international, open access, peer reviewed journal which publishes original articles, critical reviews and case reports in the field of medicine, dentistry, paramedical and life sciences. Indexing is an important facet for any research journal to enhance its visibility so that maximum researchers can reach to explore new innovative ideas and opportunities around the world. Our priority is to get the journal indexed in high-quality indexing agencies and to improve the citations and in turn the impact factor of the journal by publishing papers with good quality, so that they become standard references.

I am sure, members of the editorial board will strive to contribute to increase the quality level and popularization of this Journal. Finally I thank the publisher for giving me the opportunity to become the Editor of JAHSR. Your contribution as an author, reviewer or reader is invaluable to us and I am sure it will help us to achieve our designated goal.
